

Bill Erwin, an OLLI member, is Ms. Garrett's videographer. Bill founded Celebration Videos (celebrationvideos.com) as his retirement job to help families save their stories for generations to come and to help artists and non-profits attract a larger audience for their good works. In addition to the OLLI Harp Ensemble, his subjects have included former U.S. Sen. Jay Rockefeller; Humphrey Taylor, the chairman emeritus of the Harris Poll in New York City; N.C. hospital employees who went "the extra mile" during Hurricane Matthew; and life celebration videos for people nearing the end of life.
